

## ingredients and utensils//

toothpicks

1 cara cara orange

1 bunch fresh mint - thinly sliced

6 luxardo cherries

*Le Cuvier*

## preparation//

Segment cara cara orange into slices, cut in half and set aside

Remove luxardo cherries from the heavy syrup base and cut in half.

Layer a half orange slice and half cherry on a toothpick, and finish with chopped mint.

You may also transform the presentation into a fruit salad as well.
